5.2 Optional modules and partner services

Every module of the Software is included in the licence or subscription fee. The lines below are optional, add-on services of the Service Catalogue and Rate Annex (S08), priced at the stated man-days at PHP 16,100.00 a day, rounded to PHP 10,000.00, and invoiced on delivery. The fees of the regulator or the partner are not included; every filing, registration and enrolment with a regulator is made by the Client in its own name. A Client brand pack carries the Client's marks and is applied only in the environments of this engagement; the Client's contract with iorta TechNXT covers the use of its marks there. Enter the quantity ordered, or delete the rows that do not apply.
